Hot Meals Served to Hurricane Gustav Victims and First Responders

Sep 8, 2008 – In the wake of Hurricane Gustav's severe damage to Louisiana's lower parishes, the Louisiana Hospitality Foundation made it a priority to help those most impacted by this catastrophic storm. Distributing and serving food to thousands of victims in the towns of Montegut, Lafite and Napoleonville, the LHF demonstrated its commitment to help by providing much needed assistance in the form of hot meals.
